

Congratulations on your decision to share the Herbalife Nutrition products and offer the business opportunity around the world. Herbalife Nutrition strives to provide you with tools to help support your business to grow, not only in your country, but internationally keeping with the phrase to work local and think global!

This guide will provide you with the information on how to sign up a prospective Distributor, Preferred Member (U.S. and U.S. Territories only), or Preferred Customer in any of our open markets.

Things to Know:

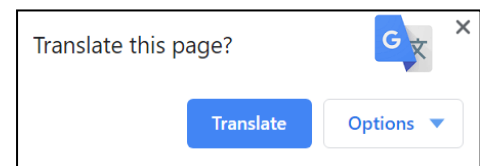

- Herbalife Nutrition Member Pack and SKU - The prices provided for the Herbalife Nutrition Member Pack are in local currency. Please note, other local charges, such as local taxes or shipping fees, may apply to the price provided at the time of purchase.
- How to Order - Indicates the available methods in-country for ordering the HMP. Some countries may allow international sales orders, which allows you to contact your local office to place an order for shipping to another country, using the price list for the shipping country and payment is made in your local currency.
- Required Documents – Includes information for the required documentation that must be submitted with the Application. It is important to submit the required documentation and the Application together to ensure the completion of the Application process without any delay.
- Legal Age – Indicates the minimum age required to sign the Distributorship, Preferred Member or Preferred Customer Application. If the applicant is a minor, additional consent from the minor's parent or guardian will be required for the application to be accepted.
- First Order Program – Indicates the amount of volume points that can be placed on a new Distributor's first order.
- Personal Consumption Limit – This section will provide any Personal Consumption Limits that may apply within the country.
- Purchasing Restrictions – This section will detail any Purchasing Restrictions within the country. For example, some countries may require a National ID in order to purchase without any limit.
- Country Specific Information – Any additional information that you should be aware of will be included in this section.

Distributors must comply with all laws and the Rules in each country where the Herbalife Nutrition business is conducted.

Please click on the country of interest on the following page to obtain important details on international business information.
